

**STATE RELEASES NEW GEOLOGIC MAPS
AND MINERAL RESOURCES SUMMARIES**

Open-File Geologic Quadrangle Maps and Mineral Resources Summaries (MRS)

The following quadrangles are now available as digital products in print form, on CD disks, or as digital files sent via e-mail. Most are in color. All are basically complete, but are still in draft form and may not include standardized colors, formation abbreviations, or symbols. A Mineral Resources Summary (MRS) is not yet available for all maps (as indicated on the following list). CD disks or e-mailed digital files are \$15.00 for all listed maps. Single sheet printed maps are \$15.00. Those with multiple sheets are \$20.00 (as indicated on the following list):

Bethel Valley 130-NE (1998) (No MRS) - \$15.00
Binfield 139-NE (2005) - \$20.00
